Volunteer Opportunities

Zumbro Falls/Hammond Flood Relief

Watermark is a team of volunteers who are helping the people of Zumbro Falls and Hammond rebuild their homes after of the September 2010 flood . Many of these generous volunteers went to help the Hurricane Katrina recovery effort in Waveland, Ms. Although this flood was last fall, the need for help continues and will for some time.

There is also need for prepared noon meals, such as hot dishes, salad, rolls and desserts for 12 – 35 people, depending on the day. If construction work is not your kind of work, food is an excellent way to be of help. There is also a need for regular food shelf type items.

If you are interested in joining the Watermark volunteers or just want to help, group or individual, contact Betty Fischer at 565-4414 or Dan Kalstabaken, the Lutheran Disaster Response Volunteer and Resource manager for this project at CP 612-741-7234 or dk.lssmn.drt@gmail.com
